

# 2024 NOWTHEN FARMERS MARKET SW CORNER OF COUNTY ROADS 5 & 22 THURSDAYS: JUNE 13- SEPTEMBER 26 3:00 - 7:00PM

We are excited to announce the opening of another year of our Nowthen Farmers Market. 2024 marks our 14<sup>th</sup> season.

Our Market has a variety of products which our vendors are eager to bring to the market. We usually have as many as 18-20 vendors displaying their wares. Some of the vendors you may find on any given week are: produce, meats, eggs, honey, jams, home-canned foods, jewelry, bakery items, handicrafts, perennial plants, herbs and lawn art.

Some weeks will have of our local youth starting their entrepreneurship selling items such as cotton candy, painted rocks, fishing lures and wooden coasters.

In addition some Thursdays include a visit from a local food truck.

The Farmers Market has become a great place to find locally grown/made products, catch up with your friends, and meet with your neighbors.

**The Farmers Market Vendors are local and grow, bake or make their product. In addition the Market is organized and staffed by volunteers. If you are interested in becoming a vendor or volunteer please see the contact information below.**
